

M7 Adds Seasoned Art Director With Big Name Client Experience to Their Award-Winning Team!

Campbell, CA--- July 2, 2007 ---The award-winning marketing communications firm, M7 Inc., has recently added Cathe Huynh-Sison to the team. Because of her extensive branding and design background, Cathe will oversee all brand development and creative initiatives for M7.

Cathe is a Dean's Scholar and graduate of San Jose State University with a B.S. in Graphic Design. She has been providing graphic design services and brand consulting for clients of various sizes, from large technology corporations to Startups, for over 12 years. With experience in both design agency and in-house corporate marketing environments, Cathe brings an extensive art direction, strategy development, and project management background to the M7 team.

"We are thrilled to have Cathe onboard. She is a very talented Art Director who has been featured in well-known industry publications such as *How Magazine* and *Graphic Design USA*," says Lisa Orrell, President/Office Goddess of M7. "I have known Cathe professionally for over 7 years, and I personally know that she has worked for solid companies where she gained extensive knowledge by working with well-known clients."

Cathe's client experience includes (partial list): Cadence Design Systems, Inc., VISA, Documentum (now EMC), Synchronicity, Inc., Baxter, FormFactor, Inc., Xerox/XSoft, Orrick Herrington & Sutcliffe, PaybyTouch, Miralink, and Intel.
